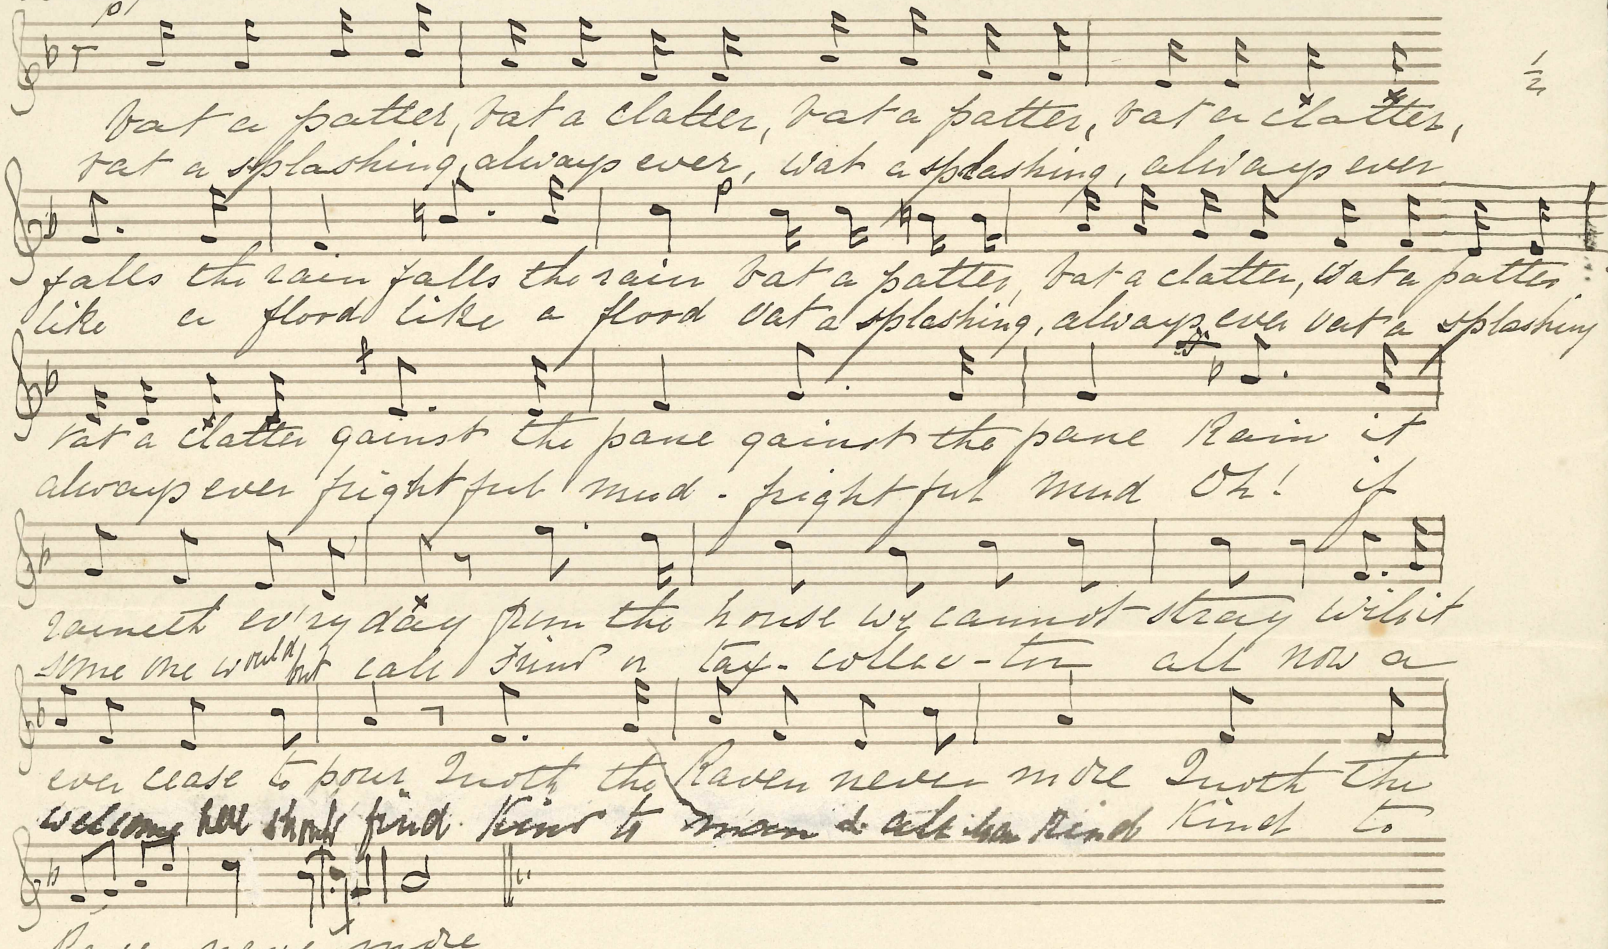
Refrain - April Showers - J. Glatter -

Allegretto -



Pat a patter, pat a clatter, pat a patter, pat a clatter,
pat a splashing, always ever, pat a splashing, always ever
falls the rain falls the rain pat a patter, pat a clatter, pat a patter
like a flood like a flood pat a splashing, always ever pat a splashing
pat a clatter gainst the pane gainst the pane Rain it
always ever frightful mud - frightful mud Oh! if
rained every day from the house we cannot stray whilst
some one would but call Kind a day collect-ion all now a
ever cease to pour Quoth the Raven never more Quoth the
Raven never more
Man and all Man-Kind -
